RE: **REQUEST FOR PROPOSAL**
PROFESSIONAL DESIGN SERVICES
ARCHITECTURAL SERVICES NEW ROOFS
FIRE HEADQUARTERS, FIRE STATION NO.2,
MUNICIPAL BUILDING

Mayor Parisi, Council President Casalino and Council Members:

By letter dated February 3, 2020, I requested proposals from five architectural firms to provide Professional Design Services for New Roofs for Fire Headquarters, Fire Station No.2, and the Municipal Building. Those firms responded to the Township's Request for Qualifications. Of the five only three submitted a proposal: Herbst Musciano of Boonton, New Jersey, Netta Architects of Mountainside, New Jersey, and Settembrino Architects of Red Bank, New Jersey. PS&S of Warren, New Jersey and Arcari + Iovino Architects PC of Little Ferry, New Jersey did not respond. A copy of the RFP and the responses of Herbst Musciano, Netta Architects and Settembrino Architects are enclosed.

Based on the review of the proposals, all three firms were responsive to the proposal. However, the fees of Herbst Musciano are much lower than those of Netta Architects and Settembrino Architects: \$45,636.00, \$70,000.00 and \$79,500.00 respectively. Consequently, I recommend a Professional Services Contract be awarded to the firm of Herbst Musciano, 611 Main Street, Second Floor, Boonton, New Jersey 07005 to provide professional architectural and engineering services in accordance with their proposal dated February 19, 2020 for a fee not to exceed \$45,636.00. They provided architectural services for West Orange on other projects, and their work is very good.

Very truly yours,
Leonard R. Lepore

Environmental services will be billed in accordance with CME's Environmental Rate Schedule

Invoices - CME Associates (CME) will submit invoices to Client monthly and a final invoice upon completion of services. Payment is due upon presentation of invoice and is past due thirty days from invoice date. Client agrees to pay a finance charge of one and one-half percent per month, or the maximum rate allowed by law, on past due accounts. In the event that the invoice is not paid voluntarily and promptly, and must therefore be referred to an attorney or agency for collection, the Client agrees to pay a collection fee equal to the actual attorney or agency collection fee incurred by CME. Overtime rates are applicable after eight hours Monday through Friday, and all day Saturday and Sunday, and charged at one and one-half times the quoted rate. Holidays are charged at two times the quoted rate. Expenses incurred for reproduction, postage handling, photographs and for services including subconsultants equipment and facilities not furnished by CME are charged to the Client at cost plus fifteen percent. Automobile travel may be charged at the current rate per mile allowed by the Internal Revenue Service.

Standard of Care - Services performed by CME under this Agreement will be conducted in a manner consistent with that level of care and skill ordinarily exercised by members of the profession currently practicing under similar conditions. NO OTHER WARRANTY, EXPRESSED OR IMPLIED, IS MADE.

Contaminated Material - It is understood that CME is not, and has no responsibility as a handler, generator, operator, treater or storer, transporter or disposer of hazardous or toxic substances found or identified at any site. Client shall undertake or arrange for, either directly or indirectly through other contractors, the handling, removal, treatment, storage, transportation and disposal of hazardous substances or constituents found or identified at any site.

Utilities - In the execution of the work, CME will take all reasonable precautions to avoid damage or injury to subterranean structures or utilities. The Client agrees to hold CME harmless for any damages to subterranean structures which are not called to CME's attention and/or not correctly shown on the plans furnished.

Right of Entry/Worksite - Client will provide for right of entry for CME personnel and equipment necessary to complete the work. While CME will take all reasonable precautions to minimize any damage to the property it is understood by Client that in the normal course of some damage may occur, the correction of which is not part of this agreement.

Client shall furnish or cause to be furnished to CME all documents and information known to Client that relate to the identity, location, quantity, nature or characteristics of any hazardous or toxic substances at, on or under the site. In addition, Client will furnish or cause to be furnished such other information on surface and subsurface site conditions required by CME for proper performance of its services. CME shall be entitled to rely on Client provided documents and information in performing the services required under this Agreement; however, CME assumes no responsibility or liability for their accuracy or completeness.

CME will not direct, supervise or control the work of contractors or their subcontractors. CME services will not include a review or evaluation of the contractor's (or subcontractor's) safety measures.

CME shall be responsible only for its activities and that of its employees on any site. Neither the professional activities nor the presence of CME or its employees or subcontractors on a site shall imply that CME controls the operations of others, nor shall this be construed to be an acceptance by CME of any responsibility for jobsite safety.

Indemnification - To the full extent permitted by law, Client shall indemnify, defend and hold harmless CME and its subcontractors, consultants, agents, officers, directors and employees (herein collectively referred to as Engineer) from and against all claims, damages, losses and expenses, whether direct, indirect or consequential, including but not limited to fees and charges of attorneys and court and arbitration costs, arising out of or resulting from the services of work of Engineer or any claims against Engineer arising from the acts, omissions or work of others, unless it is proven in a court of competent jurisdiction that the Engineer is guilty of negligence or willful misconduct in connection with the services and such negligence or willful misconduct was the sole cause of the damages, claims and liabilities.

Client agrees to indemnify and hold harmless Engineer from and against all claims, damages, losses and expenses, direct or indirect, and consequential damages, including but not limited to fees and charges of attorneys and court and arbitration costs, brought by any person or entity, or claims against Engineer which arise out of, are related to, or are based upon, the actual or threatened dispersal, discharge, escape, release or saturation or smoke, vapors, soot, fumes, acids, alkalis, toxic chemical, radioactive materials, liquids, gases or any other material, upon, in or into the surface or subsurface soil; water or watercourse; objects; or any tangible or intangible matter.

To the fullest extent permitted by law, such indemnification shall apply regardless of the fault, negligence, breach of warranty or contract or strict liability of Engineer. This indemnification shall not apply to claims, damages, losses or expenses which are determined by a court of competent jurisdiction to be the sole result of negligence or willful misconduct by the Engineer of obligations under this Agreement.

Limitations of Liability - CME's total liability to Client for any and all injuries, claims, losses, expenses or damages whatsoever arising out of, or in any way related to, this Agreement from any cause or causes, including but not limited to CME's negligence, errors, omissions, strict liability, breach of contract or breach of warranty, shall not exceed the total contract amount for the services provided by CME or \$50,000, whichever is less.

In no event shall CME be liable for consequential damages, including, without limitation, loss of use or loss of profits, incurred by Client or their subsidiaries or successors, regardless of whether such claim is based upon alleged breach of contract, willful misconduct, or negligent act or omission.

Professional services rendered for a Client shall be provided for that Client. The Client is responsible for the proper operation and use of the subject facilities and/or report and nothing herein shall provide any rights to any third party. The Client, in authorizing CME to proceed, acknowledges that the professional responsibility is limited.

Termination - This Agreement may be terminated by either party upon fourteen (14) days written notice in the event of substantial failure by the other party to perform in accordance with the terms hereof. Such termination shall not be effective if that substantial failure has been remedied before expiration of the period specified in the written notice. In the event of termination, CME shall be paid for services performed to the termination notice date plus reasonable termination expenses.

In the event of termination, or suspension for more than three (3) months, prior to completion of all work contemplated by this Agreement, CME may complete such analyses and records as are necessary to complete its files and may also complete a report on the services performed to the date of notice of termination or suspension. The expenses of termination or suspension shall include all direct costs of CME in completing such analyses, records and reports.

Assigns - The Client may not delegate, assign, subcontract or transfer his duties or interests in this Agreement without the written consent of CME.

This agreement shall not create any rights or benefits to parties other than the Client and CME, except such other rights as may be specifically called for herein.

AGREEMENT FOR MUNICIPAL PLANNING DIRECTOR

THIS AGREEMENT made and entered into on this ____ day of February, 2020 by and between the **TOWNSHIP OF WEST ORANGE**, a municipal corporation of the State of New Jersey, located at Town Hall, 66 Main Street, West Orange, County of Essex and State of New Jersey, hereinafter called the "TOWNSHIP", party of the first part, and **PHILLIPS PREISS GRYGIEL LEHENY HUGHES, LLC.**, located at 33-41 Newark Street, Third Floor, Suite D, Hoboken, County of Hudson and State of New Jersey, hereinafter referred to as "CONSULTANT," party of the second part.

WITNESSETH THAT:

WHEREAS, the Governing Body of the TOWNSHIP has determined that it is in the best interests of the TOWNSHIP to retain the services of CONSULTANT to provide municipal planning services;

NOW, THEREFORE, in consideration of the mutual promises, terms and conditions hereinafter set forth, the parties hereto agree as follows:

1. CONSULTANT will review applications made to West Orange's Planning Board and Zoning Board of Adjustment for site plan, subdivision and/or variance approval. The scope of work for each of these development reviews will include the following:

- Review of filed application materials to determine whether the application can be deemed complete for hearing by the Planning Board, Zoning Board of Adjustment and/or Site Plan Review Advisory Board, and if any submission waivers are warranted;
- Preparation of a completeness review memorandum;
- Attendance at Site Plan Review Advisory Board meetings;
- Review of filed application materials to determine compliance with all applicable Zoning Ordinance requirements and other development regulations;
- Analysis of all requested variances and/or exceptions from site plan or subdivision regulations;

- Review of site plan, architectural plans and/or subdivision plat to identify any zoning or planning issues;
- A site visit to the subject property and surrounding area;
- Discussion with Township of West Orange staff and other consultants, if necessary;
- Preparation of an application review letter, if necessary;
- Attendance at evening meetings of the Planning Board and Zoning Board of Adjustment when an application for which a review letter was prepared is on the board's agenda.

The above work other than site visits and meetings will be conducted in CONSULTANT's office. It is assumed that application materials will be mailed to CONSULTANT by Township staff, although CONSULTANT will be able to pick up materials in West Orange if a quick turnaround of a review letter is necessary. A representative of CONSULTANT will also attend meetings in West Orange to meet with Township staff, other consultants and/or development applicants, as needed.

The review of development applications can be paid for through escrows provided by development applicants, consistent with state law and Section 25-55 of the West Orange Zoning Ordinance. CONSULTANT will submit invoices to the Township for each development application in order to manage the appropriate funding source for our service.

It is anticipated there will be a limited amount of billing for general planning services not related to a specific application, which would be billed directly to the Township and would not be payable through applicant escrows. If additional work, over and above that specified in the Scope of Services, or that agreed to under this Agreement, is requested by the Client, such work shall be performed by CONSULTANT at the hourly billing rates specified in paragraph 7 of this Agreement or any increases to the hourly billing rates as set forth in paragraph 7. Such additional services shall only be performed following approval from the Township Council.

Paul Grygiel, AICP, PP shall make himself available as needed on a flat fee basis as set forth herein.

4. CONSULTANT is hereby placed on notice that no Department Head, individual member of the Governing Body, or any agent, servant or employee of the TOWNSHIP possesses any lawful authority to: (a) engage the rendition of services or the performance of work; (b) authorize the continuation of services or work beyond the amount specifically

8. CONSULTANT agrees, subject to the provisions herein, to indemnify and hold the Client harmless from any damage, liability or cost to the extent caused solely by CONSULTANT's negligent acts, errors or omissions in the performance of professional services under this Agreement. CONSULTANT is not obligated to indemnify the Client for the Client's own negligence or intentional acts

WHEREAS, *N.J.S.A.* 40:69A-43, a section of the Faulkner Act, provides that "each department head shall serve during the term of office of the mayor appointing him, and until the appointment and qualification of his successor", which takes precedence over *N.J.S.A.* 40A:9-139, requiring that the appointment of municipal attorneys be limited to a term of one year, and

WHEREAS, Section 2-9.1 of the Township's Revised General Ordinances provides that the Township Attorney "shall serve during the term of office of the Mayor appointing him"; and

The Scope of Services shall include matters of litigation, arbitration or mediation in which the TOWNSHIP has an adversary, but in all such matters, COUNSEL shall be paid at an hourly rate separate and apart from, and in addition to, the salary paid for representation of the TOWNSHIP in its general legal matters. Whenever the Township Attorney deems it appropriate and subject to governing body approval, whether due to potential conflict of interest, the need for more specialized or expert legal skills, or to handle particularly complex or specialized legal matters, special counsel may be hired by the Township Attorney subject to governing body approval and at a negotiated rate of compensation. COUNSEL shall review the invoices submitted by such special counsel to determine their accuracy and reasonableness under the Township's Billing Guidelines and shall manage their representation of the TOWNSHIP's interests to maximize the efficiency and effectiveness of their legal representation.

For purposes of this Agreement, "block billing" shall refer to the practice of grouping together multiple activities or tasks under one (1) time entry.

4. **Reimbursement for Expenses.** COUNSEL may seek reimbursement for actual expenses reasonably incurred, such as postage, copying, mileage, meals, parking, court reporters or delivery of documents in accordance with the TOWNSHIP's Billing Guidelines. The amounts for such expenses shall be itemized on the monthly invoices provided to the TOWNSHIP.

5. **Administrative Work, Secretarial Services and Multiple Attorney Billing.** COUNSEL shall not bill the TOWNSHIP for office overhead expenses such as secretarial or administrative support staff and billing for multiple attorneys for internal conferences or attendance at outside meetings and events should be discouraged and minimized.

6. **Billing for Travel Time.** COUNSEL may bill the TOWNSHIP for

Introduction: March 3, 2020

Legislative History

The West Orange Township Council has found value in having a Council liaison designated and appointed to some of the various advisory boards, committees and commissions operating within the Township, providing lines of communication between the citizen volunteers, Township professionals, interested residents participating on and with those bodies and the Township's governing body. Through Council liaisons the Council as a whole is better able to educate itself about and follow the work of such bodies through regular reporting by liaisons to the Council as a whole. The enabling statute for Historic Preservation Commissions in the State of New Jersey has specific and detailed requirements regarding voting membership which precludes a Council liaison from being a voting member of a Historic Preservation Commission and this Ordinance provides that the Council liaison shall be an ex officio non-voting member of the Commission, appointed and designated by vote of the Council at its annual re-organization meeting as has been the custom with respect to other Council liaison positions.

The Ordinance, which amends the Traffic Regulations of the Township, designates the two (2) intersections of Walker Road and Burnett Terrace as Multi Way Stops intersections with Stop signs on all intersecting streets. Due to the volume of traffic through these intersections, turning movements at each intersection and limited sight distance at the easterly intersection, the Township's Engineering Division determined that traffic needed to be regulated on all approaches to these intersections for the safe movement of traffic through them. Currently the intersections are regulated by Stop Signs but they are not Multi Way Stops Intersections.

RE: **AMENDMENT TO CHAPTER 7, TRAFFIC
MULTI WAY STOPS INTERSECTIONS**

Mayor Parisi, Council President Casalino and Council Members:

The attached Ordinance will designate the two (2) intersections of Burnett Terrace and Walker Road Multi Way Stops Intersections with Stop Signs on all approaches. I certify that this regulation is approved by me after investigation of the circumstances, and that it appears to be in the interest of safety and the expeditious movement of pedestrians and traffic. Based on this, I request this approval of these Multi Way Stop Intersections pursuant to N.J.S.A. 39:4-8(b). Due to the volume of traffic through these intersections, turning movements at each intersection and limited sight distance at the easterly intersection, the Township's Engineering Division determined that traffic needed to be regulated on all approaches to these intersections for the safe movement of traffic through them. Currently the intersections are regulated by Stop Signs but they are not Multi Way Stops Intersections.

I performed my investigation of this intersection by field inspection, manual traffic counts and accident investigations, and based on these findings I recommend these intersections be designated Multi Way Stops Intersections with Stop Signs on all approaches.

If you have any questions on this regulation, please call me.
