To all West Orange community advocates, civic organizers, and religious leaders:

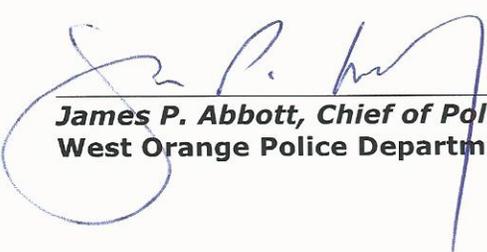

Please be advised that the West Orange Police Department needs your help to spread the word regarding the announcement for the entry level examination for municipal police officers. The State of New Jersey Civil Service Commission (CSC) has recently announced that the public safety entry level positions are up for testing in all Civil Service jurisdictions. The announcement for the entry-level law enforcement exam (LEE) closes on September 4, 2013.

The West Orange Police Department is looking to notify all interested men and women who fit the criteria set forth by NJ Civil Service Commission. The overall goal of the West Orange Township Police Department is to attempt to employ a work force that is representative of the population of the municipality it serves.

We have attached a flyer regarding the particular information to register for the examination through the State of New Jersey. The flyer contains the contact information for registering for the examination, and contains an email address for any interested applicant who has specific questions for the West Orange Police Department.

We respectfully request that you post or forward the flyer to whomever you believe would be interested pursuing a career in law enforcement.

Thank you for your anticipated cooperation. Together, we can assure that the West Orange Police Department continues to hire qualified, motivated, and community minded individuals.

  
**James P. Abbott, Chief of Police**
