NJ TRANSIT Improves Outreach to Community Transit Riders

The annual public hearings for the Casino Revenue grant funded program, the Senior and Disabled Resident Transportation Assistance Program (SCADRTAP), will be videotaped and posted on the NJ TRANSIT website within 24 hours of the hearing.

The hearings are an opportunity for citizens to comment on the County coordinated transportation services focused on the needs of older persons and people with disabilities and the accessibility improvements to the NJ TRANSIT bus and rail services that are funded through the SCADRTAP program.

The new method of reaching out to customers and advocates will provide a means of observing the proceedings for persons who are unable to attend the hearings.

NJ TRANSIT encourages members of the public who may be unable to attend one of the three hearings in person to access the website to view the hearing and provide written comments.

Please see the attached public hearing notice for dates, times and locations of the hearings.
