

TOWNSHIP OF WEST ORANGE 2013 LEAF PROGRAM

2013 Leaf Collection Program

West Orange's Fall 2013 Leaf Collection Program will consist of the collection of both bagged leaves and loose leaves placed along the curb and gutter of all public municipal streets.

Bagged leaves will be collected from October 1 thru December 31, 2013. Leaves may only be placed in brown biodegradable paper bags which are available at the Public Works Building, 25 Lakeside Avenue, the Municipal Building, 66 Main Street and the Recycling Center, 590 Mt. Pleasant Avenue. Their cost is five (5) bags for \$2.00. Bagged leaves will be collected weekly in accordance with the

schedule below. Bags containing materials other than leaves will not be collected.

The loose leaves collection program will comply with NJDEP regulations. Leaves shall not be placed along the curb and gutter more than seven (7) days prior to their scheduled collection. Also leaves may not be placed within ten (10) feet of a drainage inlet.

Leaves may only be placed along the curb and gutter from October 13 thru December 8, 2013. Loose leaves will be collected by section in accordance with the following schedule. **Check the back of this page for your street and section.** This schedule applies only to public municipal streets. The collection schedule for both loose leaves and bagged leaves along County Roads will be provided at a later date.

For additional information call 973-325-4067 or visit the Township's web site at www.westorange.org.
