### Township Spotlights West Orange Firefighters

**October 7, 2013 – WEST ORANGE, NJ** – In celebration of Fire Prevention Safety Week, the Township is shedding the spotlight on five West Orange firefighters, offering the community a chance to learn about the heroic men and women who protect the Township.

For the week of October 6-12, the West Orange Facebook page ([facebook.com/westorangeinfo](http://facebook.com/westorangeinfo)) will feature biographical information and pictures of the firefighters along with their answers to five questions they were each asked about working with the West Orange Fire Department (WOFD).

During Fire Prevention Week, departments around the U.S. are joining with the National Fire Protection Association (NFPA) to remind residents to 'Prevent Kitchen Fires.' During this year's fire safety campaign, departments will be teaching residents how to prevent kitchen fires—most of which result from unattended cooking.

On Saturday, October 12, the WOFD is hosting its Annual Open House at the public library from 10 AM-12 PM. Equipment will be on display and firefighters will answer questions about escape planning, fire safety and disaster preparedness. There will be fire prevention demonstrations, give-a-ways and light refreshments. Admission is free.

For further information, please contact the West Orange Fire Department [firedept@westorange.org](mailto:firedept@westorange.org) or 973-325-4175, or you can visit our headquarters, located at 415 Valley Road, Monday through Friday 8:30 AM to 4:30 PM.
