### Health Department Offers Pneumonia and Flu Vaccinations

**October 9, 2014 – West Orange, NJ** -- The West Orange Health Department announces influenza vaccination clinics for West Orange residents 18 years and older.

The immunizations will be held on October 15, 2014 from 9:30-11:30 AM at the John P. Renna House community room located at 10 Gaston Street on the ground floor. Parking will be provided in the municipal parking lot behind the senior citizen and municipal buildings.

This vaccine offers protection against four strains of flu, two A strains, H1N1, H3N2 and two B strains, Victoria and Yamagata. Pneumonia vaccine will also be available if needed.

Please bring your Medicare Card or HMO Medicare Card. Primary Medicare has no cost. HMO Medicare, uninsured and all others require a \$25 fee for flu vaccination and \$50 for pneumonia vaccination paid by cash or check.

The vaccine will also be available October 20 through October 31 at the West Orange Health Center, 10 Gaston Street, from 2-3:30 PM and on October 22 from 2-6 PM.

Adults 60-years-old and older and those with compromised immune systems or chronic illness are a first priority but everyone is urged to get the vaccine unless a physician advises against it.

Log onto [www.westorange.org](http://www.westorange.org) or call 973-325-4130 for more flu information.
