

Township of West Orange Project Operation Hope – Become an “ANGEL”

Where there is Hope....

....there is Help

HEROIN – OPIATE PREVENTION EFFORT

West Orange is looking for compassionate and caring individuals to serve as volunteer “Angels” for Operation HOPE.

Our volunteer “Angels” will receive training to help understand addiction and how to interact with and assist people experiencing addiction-related issues. “Angels” will also learn about the methodologies and processes Operation HOPE uses to assist people in getting help for their addiction and find recovery.

When someone comes to the police station to ask for help with a heroin or opiate addiction, we will call an Operation HOPE “Angel.” The “Angel” will provide support and assistance to the program participant and help shepherd them toward treatment and recovery.

If you are interested in serving as an Operation HOPE “Angel” complete our application online at www.westorange.org/police or e-mail the application directly to angel@westorange.org.

All Applications must be submitted by July 31, 2016.

If you have any questions, please contact Patricia Duffy, (973) 325-4105

Training for Volunteers will begin September 2016 – dates and times to be announced.

Program will begin October 2016.
