God Bless America
By Irving Berlin

*While the storm clouds gather far across the sea
Let us swear allegiance to a land that's free
Let us all be grateful for a land so fair
As we raise our voices in a solemn prayer*

*God bless America, land that I love
Stand behind her and guide her
Through the night with a light from above
From the mountains, to the prairies
To the oceans white with foam
God bless America
My home sweet home*
