West Orange Revises Zoning Ordinance for More User-Friendly Experience

July 24, 2012 - WEST ORANGE, NJ-- At the request of West Orange Mayor Robert D. Parisi, a Zoning Ordinance Review Committee (ZORC) was formed to review, edit and revise existing Township land use ordinances with the purpose of streamlining the Planning and Zoning process to assist citizens and businesses who want to make changes to their properties.

The Committee members were comprised of professional planners, Planning/Zoning Board officials and board members, and private citizens. Their primary tasks were to revise the archaic language, eliminate any redundant paragraphs and delete any duplicate provisions found in the Township land use ordinances. The revised zoning ordinance proposed by the committee was passed on June 26, 2012 by the Township Council and officially took effect on July 16, 2012.

"I want to personally thank all the members who served on the committee and whose hard work resulted in this much needed revisions to the Township's Zoning Ordinance. We are constantly seeking new ways to make things easier for our residents and business owners by eliminating government bureaucracy to deliver services more efficiently to the community," Parisi stated.
