

DON'T BE THE DEALER

Saturday October 23rd.

10:00am to 2:00 pm

Keep them safe. Clean them out.
Take them back.

Location:

60 Main St.

Police Headquarters

Visit DEATakeBack.com for a collection site near you.

- Participants may dispose of medication in its original container or by removing the medication from its container and disposing of it directly into the disposal box. If an original container is submitted, the individual should be encouraged to remove any identifying information from the prescription label.
- All solid dosage pharmaceutical product and liquids in consumer containers may be accepted. Liquid products, such as cough syrup, should remain sealed in their original container. The depositor should ensure that the cap is tightly sealed to prevent leakage.
- Intra-venous solutions, injectables, and syringes will not be accepted due to potential hazard posed by blood-borne pathogens.
- Illicit substances such as marijuana or methamphetamine are not a part of this initiative and should not be placed in collection containers. If an individual attempts to surrender an illicit controlled substance, law enforcement personnel should handle such material as abandoned property in accordance with department policy.
- A law enforcement officer must remain with the drug disposal box at all times. Collected pharmaceutical products should be handled as drug evidence with law enforcement custody to safeguard the surrendered material.

E-Cigarette & Vaping devices Disposal

DEA National Take Back Day Vape Collection Guidance:

- DEA will collect vape pens or other e-cigarette devices from individual consumers **only** after the batteries are removed from the devices. It is important to stress that the DEA is not responsible for removing the batteries from the devices.
- If the battery cannot be removed, individual consumers can check with large electronic chain stores who may accept the vape pen or e-cigarette devices for proper disposal.
- Individual consumers may also contact their local Hazardous Materials Management Facility to determine if they accept these devices, and for additional guidance regarding proper disposal.
