** MEMBERS REPRESENTING THE WEST ORANGE POLICE ATHLETIC LEAGUE*

2022 (39th Annual)

Dear Friends & Supporters:

Despite the lingering impact of the pandemic last year's tournament went off as scheduled and was very successful. We are indebted to all who participated. We will be holding this year's event at prestigious Essex County Country Club on Monday, June 6th.

The partnership with the West Orange Police Athletic League was fruitful. New blood was added to the Boland Golf Committee, positive improvements were initiated and a significant number of new supporters stepped up and helped the cause. As promised a sizable % of the profits went directly to the PAL for their outstanding youth programs. Additional funds were used to support special needs initiatives in West Orange. The Boland Golf outing stands as a testament to teamwork and a perfect example of the win/win concept.

Looking at this years event, proceeds will once again be equally shared to support the following charitable causes:

- 1) PAL's numerous youth sports programs***
- 2) Special needs Initiatives within the WO community***

Regarding Covid, the event will be mindful of all safety protocols. It appears that the worst is behind us. Based on past performance we are confident that this year's event will be conducted in a safe manner.

We seek your support in making this year's tournament another successful event. Please review the registration form and consider becoming a Hole Sponsor, a Boland Booster or even better opting for our new Gold Package. Needless to say, we would love to have you join us for what promises to be a great day of golf - at a great course - for a great cause.

Thank you for your anticipated support.

Bill Kehoe
